Dear BijiWaluh,

Dear [Filmmaker's Name],

Congratulations! Your film has been selected to participate in the Lift-Off Sessions, and we're excited to screen it for our global audiences.

You can grab your official laurels now by [clicking here](#). They're shiny, they're fancy, and they're all yours!

You will receive an email from us shortly with all the details of how to participate in the festival and instructions for sending us your film screener. Please check your spam and promotional folders in case our email gets lost in cyberspace.

As a participant, you will have the opportunity to showcase your work and win awards that can help you advance your career. Participation in the festival is entirely free from the submission to the screenings.

Thank you for submitting your film to Lift-Off Global Network, and we can't wait to screen your work. Let's do this!

And if you have any questions or just wanna say hi, drop us a line at online@liftoff.network. We'd love to hear from you!

Best regards,

The Lift-Off Global Network Team
