Dear Ms. Almilial,

Manuscript JAOC-08-2017-0070.R1 entitled "DECISION-AIDS FOR NON-EXPERT DECISION MAKERS: AN EXPERIMENTAL INVESTIGATION OF PERFORMANCE AND LEARNING" has been resubmitted to the Journal of Accounting & Organizational Change. You will recognise it as a revised version of an earlier paper which you kindly reviewed for us some time ago.

I am now sending the revised paper back to you for an opinion on its suitability for publication. You will also find the original reviews at the end of this email.

In your review, please answer all questions. On the review page, there is a space for "Comments to Editor" and a space for "Comments to the Author." Please be sure to put your comments to the author in the appropriate space.

Please note that the journal's editorial policy is to give the reviewers 28 days to complete their review on resubmissions. Therefore, I would be

Sorry for my late response.

## Comments to the Author - YOU MUST FILL THIS IN

1. Many articles are used as Literature review for more than 10 years. There are only 2 articles from 27 articles in less than 10 years.
2. In the introduction, the researcher did not explain the research phenomenon, why this research is important to do and the practice contribution from the research result.
3. In the results of the study, there is no scientific explanation from the researchers why the hypothesis accepted or rejected based on research data.
